Marley co-ex soil

110mm soil pipe
with at least 30%
recycled content*

Marley 110mm soil pipe now combines the environmental benefits of using recycled material with the quality and aesthetic advantages of co-extrusion technology.

-  BS EN 1329 certified
- Higher gloss levels
- Improved weathering performance
- Available in grey and black
- Same list price as standard white pipe
- Colour matched to all standard 110mm Marley soil fittings
